ACTION TAKEN REPORT 2021-22

The feedback obtained from the stakeholders for the session 2020-21 (students, teachers and alumni) was analyzed and discussed with the members of Advisory Committee. To cater to the needs of our stakeholders, appropriate actions were taken by the institution as follows:

- All the teachers were directed to make maximum use of technological tools provided. Purchase of new digital teaching device, D-Link Networking cable (305 meter), 4 computers and a laptop was also done in the session 2021-22 to as to equip teachers as well as the students with latest technology along with the internet facility.
- As suggested by our students to focus more on the practical studies, all the concerned departments which deal with instrumentation and experimentation were directed to do the needful. On the same note, a two-days national workshop on Instrumentation and Chemistry Practicals, was organized (on 22nd-23rd Nov'21) by the Department of Chemistry (by inviting the resource person from GGSDS College, Chandigarh) so as to provide a hands-on instrument training to our students.
- Remedial classes in the subject of English were also conducted so as to help our students build good communication skills as per the suggestions from parents and students.
- As suggested by the alumni of our college, special free coaching classes were conducted by the Career Counseling & Guidance Cell of the institution, to help our students for the preparation of Competitive Examinations.
- A Career Counseling Webinar for science stream was also conducted by the Department of Chemistry on 28.05.22, (by inviting RPs from GGSDS College and a Career Counseling Professional, Chandigarh) to make our students well-informed about the career scope in the related subjects, as suggested by the students and alumni in their feedback for the session 2020-21.
