Application part of the syllabi is quiet weak which in turn hinders the imparting of skill based knowledge. Hopefully implementation of NEP would solve many of applicability and skill-based issues of the curriculum.

Stricter attendance rules should be in place

Appropriate study material is not available for some courses.

Inspire students sincerely in each and every aspect of life

No suggestions

Curriculum and syllabus should be revised.

A well-managed curriculum is essential to ensure sufficient time for completing the syllabus and engaging in activities that enhance students' skills and productivity.

Quality improvement of the studies is very good.

More reading material needs to be provided to the teachers as well as students.

Good syllabus but option of papers should be more balanced.
