NATIONAL WORKSHOP NOV'21 REPORT

Department of Chemistry, LBS Govt. College, Saraswati Nagar, Jubbal - 171206, Shimla (H.P.) organized a TWO-DAYS NATIONAL WORKSHOP ON INSTRUMENTATION AND CHEMISTRY PRACTICALS, on 22nd & 23rd November 2021. The workshop was successfully conducted via offline as well as online medium with more than 100 participants (including faculties and students from other renowned colleges and universities from Himachal, Punjab, Chandigarh, Haryana and Maharashtra). The faculty members from Govt. PG College SEEMA, Dr. Sunil Negi (Assist. Prof. Chemistry) and Dr. Umesh Narta (Assist. Prof. Botany) along with their 22 Students also visited our college for attending this workshop. The event was organized and coordinated by Dr. Shallu Dogra (HOD), Chemistry Department and chaired by our worthy principal Dr. P.P. Chauhan. Senior faculty member Dr. Lalita Rawat, Dr. Poonam Mehta, other science faculty members, Dr. Punam Chauhan, Dr. Radha Raman Gautam, Assist. Prof. Goverdhan Chauhan and all the Laboratory Assistants joined the event. All the science students from B.Sc. 1, B.Sc. 2 and B.Sc. 3 of our college participated actively in the workshop. The Invited Speaker was Assist. Prof. Raveena Thakur, Instrumentation Instructor cum In-charge, Chemistry Department, GGDSD College, Sector - 32 C, Chandigarh, who enlightened all the participants with her vast knowledge in the areas of Instrumentation and Practical Chemistry, especially the UV-Visible and FT-IR Spectrophotometers. It was a very engrossing oration by Assist. Prof. Raveena Thakur and our students came up with a lot of enthusiasm in understanding and extracting maximum out of this talk. Madam also gave a very fruitful demonstration to all the participants with a complete practical hands-on over the related Instruments. Handling and use of all the practical instruments like UV-Spectrophotometer, FT-IR Spectrophotometer, pH meter, Conductivity meter, Polarimeter, Potentiometer, Colorimeter, Calorimeter etc. gave our students a practical perspective of the theoretical chemistry they had been studying since so many years, which is most important for the overall understanding of Chemistry. Assist. Prof. Raveena Thakur also offered our students an academic visit to their well equipped instrumentation laboratory in GGDSD College, Chandigarh and this offer was highly welcomed by our worthy principal Dr. P.P. Chauhan. Lastly, the session was concluded by Dr. Shallu Dogra with a vote of thanks to the eminent speaker Assist. Prof. Raveena Thakur and all the participants who joined us from various colleges and universities from all the states.
