

# LAL BAHADUR SHASTRI GOVERNMENT DEGREE COLLEGE

SARASWATI NAGAR-171206

DISTT. SHIMLA H.P.

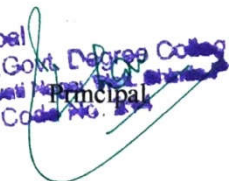

A NAAC ACCREDITED 'B+' COLLEGE

Report

29<sup>th</sup> December, 2020

LBS Govt. Degree College organized a multi disciplinary workshop cum International conference on the theme "A New world order: Resilience and Reinvention" w.e.f. 18<sup>th</sup> to 27<sup>th</sup> December, 2020 in collaboration with eight colleges of district Shimla, (H.P.). Due to COVID 19 pandemic, the events were organised through virtual mode on google meet. Prominent academicians from various countries such as Japan, Italy Canada UAE, USA Australia and Israel also participated in the Workshop cum Conference. The sessions of the workshop and the conference provided excellent environment to research scholars and other academicians from Arts, Commerce and Science streams. Important aspects of NEP 2020 were discussed in detail during the conference. The role of IT in trade, commerce and disaster management, as well as the role of traditional food and medicinal plants were also discussed during these events. Dr. Brijesh Singh concluded the events of the workshop cum conference with a vote of thanks.

**About the Workshop -Cum- Conference:**

These events are a joint venture of eight colleges of District Shimla, H.P. (India), one college of District Kinnaur, H.P. (India) and some renowned academicians from other educational institutes of Himachal Pradesh. Due to current Covid -19 issue we will organise these events through virtual mode on Google Meet. The theme of the conference and broad sub-themes for the research articles and invited lectures have been decided by the expert Advisory Committee after thorough brainstorming and discussions. The results of the discussions and selected research articles will be published in the conference book. We hope that this workshop and conference will provide an excellent environment to research scholars and other academicians from Arts, Commerce and Science to discuss and suggest the key inputs for the effective implementation of governmental programs pertaining to aforementioned areas so that country will emerge again as world leader or Vishwaguru. The new frontiers in Science and technology have opened up new window for the scientists to serve society in better way. The application of IT in trade, commerce and disaster Management has effectively improved the communication and e-commerce under the prevalent drastic and adverse circumstances due to Covid -19. IT is being also used to collect various type of data from remote area and provide online education to student in far-flung areas. The importance of multi-lingual in education as mentioned in NEP 2020 will be discussed during this conference. Keeping in mind the studies from various blue zone of the world in relation with study from local areas of HP. These results and role of traditional food and medicinal plants will also be discussed during these events. **Some extra talented, bright and selected students from schools, colleges and universities will be sponsored by Science and Management Society, H.P. Interested students will have to write an essay on 'How to make India again as World Leader (150-200 words) before 17<sup>th</sup> Dec. 2020.**
