REPORT

The Academic Committee of our college organized an “**Academic Committee Week**” for the session 2022-23 starting from 20.02.23 to 25.02.23. All the teaching faculty members put in their best possible efforts to prepare the students for “Power-Point Presentations” in their concerned subjects. The presentations were conducted in the respective smart classrooms of the teachers, simultaneously on above mentioned dates. Students were given the topics related to their subjects by the respective teachers and were prepared for the same. A lot of enthusiasm was shown by the students as such kind of programs help in their overall personality development by polishing their communication skills, learning power, presentation capacity as well as the knowledge regarding the concerned topic or subject. At the end of every presentation a question round was there so as all the participants could clarify the doubts of the audiences.

It was really an exhaustive session which proved to be fruitful for most of the students.
